TERRE DI CANOSSA INTERNATIONAL CLASSIC CARS CHALLENGE

Vintage car reliability trial

From 12th to 15th April 2012 there will be the "Terre di Canossa International Classic Cars Challenge", vintage cars reliability trial along the Matilde di Canossa millenarian route. A route that

develops from the Po river to the sea, through wonderful landscapes, artistic cities as Reggio Emilia and Parma, ancient castles, green hills, uncontaminated mountain passes, charming villages and the Cinque Terre seaside. A unique enogastronomical itinerary among traditional recipes and chef creativity, exclusive nights in unequalled locations, typical emilian hospitality and relaxed driving in order to enjoy this experience. The Terre di Canossa Grand Prix is confirmed again as a great international classic reliability trial, along a km 550 route to be run during 3 days with 66 time trials. Only vehicles built from 1919 up to 1975 will be admitted, with routes dedicated to prewar period vehicles and a special classification. A great event, certificated by CSAI.

Where: Reggio Emilia and Parma

When: from 12.04.12 to 15.04.12

Information

Scuderia Tricolore Asd - Viale Magenta, 1/d - 42123 Reggio Emilia (RE)
